

ELSHADDAI PHARMA & SURGICAL WORLD

ELSHADDAI PHARMA & SURGICAL INTERNATIONAL

OUR ELSHADDAI JOURNEY

Where Compassion Meets Commitment

In the world of healthcare, every second matters—and every supply counts. At Elshaddai Pharma & Surgical, we don't just deliver products; we deliver hope, reliability, and care.

In every box we pack, in every order we fulfill, we carry a message

YOU ARE NOT ALONE.
WE ARE WITH YOU.
ALWAYS.

Founded in 2018, Elshaddai Pharma & Surgical World was born out of a heartfelt mission: to bridge the gap between urgent medical needs and timely, affordable access to life-saving supplies. With deep roots in Chennai and a soul grounded in service, we've stood beside hospitals, clinics, and healthcare workers—ensuring they never run out of what they need, when they need it most.

As our vision grew, so did our responsibility. In January 2024, we launched Elshaddai Pharma & Surgical International—a global extension of our promise. Built to serve both local and international communities, it reflects our belief that care should know no boundaries and service should never stop.

We are open 24 hours a day, 365 days a year, including Sundays and public holidays—because illness doesn't wait, and neither do we. With minimal profit margins and maximum dedication, our purpose is not commerce—it's compassion.

THE CORE SPIRITS

Founder & Partner
Elshaddai Pharma Surgical World
Proprietor
Elshaddai Pharma Surgical International

Mrs. P. Sangeetha is an accomplished healthcare professional and visionary entrepreneur with over 20 years of experience in the pharmaceutical and hospital administration sectors. Her leadership is marked by a deep commitment to accessible, quality healthcare and innovation in service delivery.

She holds a Diploma in Pharmacy (2004) and a Bachelor's degree in Computer Applications (2007), bringing together robust clinical expertise and strong technical acumen. Her journey began as a Hospital Pharmacist and evolved into influential roles including Hospital Administrator, Product Manager, and International Patient Coordinator at New Hope Hospital.

Mrs. Sangeetha has played a pivotal role in introducing critical neurocare and ICU products to the Indian healthcare market. A passionate advocate for medicine accessibility, she is dedicated to ensuring the consistent availability of DPCO-regulated medicines across India.

Renowned for her excellence in hospital operations, compliance, and patient care, she has also built a strong reputation in the field of international medical coordination. Her ability to provide patients with seamless, compassionate medical travel experiences has earned her global trust.

As the driving force behind Elshaddai Pharma Surgical World and Elshaddai Pharma Surgical International, Mrs. Sangeetha leads with purpose, innovation, and integrity. Her work continues to make a meaningful impact on lives both in India and abroad, positioning her as a respected leader in the healthcare landscape.

Elshaddai Pharma Surgical World

Mr. PRS Sathva Prakash is a distinguished pharmacist and healthcare entrepreneur, recognized for his unwavering commitment to advancing patient-centered healthcare and pharmaceutical practice. He holds a Diploma in Pharmacy and a Bachelor's degree in Psychology, blending technical expertise with a nuanced understanding of patient engagement and care. With a comprehensive background spanning hospital and community pharmacy environments, Mr. Prakash possesses exceptional capabilities in safe medication management, clinical counseling, and efficient healthcare delivery. His analytical approach ensures optimal patient outcomes and operational efficiency.

As the Founder & Proprietor of Elshaddai Medicals & General and Elshaddai Clinic, Mr. Prakash has successfully established and managed high-reputation healthcare institutions. Through visionary leadership and a strategic client-oriented mindset, he has been instrumental in the robust expansion of Elshaddai Pharma Surgical World across Tamil Nadu, facilitating the distribution of advanced critical care products to a wide network of hospitals.

Mr. Prakash's expertise encompasses clinical pharmacology, healthcare logistics, and organizational management, positioning him as a driving force behind the sustained growth and innovation of the Elshaddai group. His leadership is characterized by integrity, reliability, and a steadfast dedication to service excellence, firmly establishing him as a pillar of the regional pharmaceutical and healthcare sectors.

MR. PRS.SATHVA PRAKASH

Elshaddai Pharma & Surgical stands as a dependable partner in healthcare, committed to delivering pharmaceutical, surgical, and critical care solutions with precision, integrity, and empathy. Operating 24/7, 365 days a year—including Sundays and public holidays—we ensure that access to essential medical supplies is never interrupted. Backed by international-standard infrastructure and a team of dedicated professionals, our approach places patients at the heart of everything we do. Every product we supply carries more than just clinical value—it carries a promise of unwavering support, ethical service, and a deep responsibility to those who heal and those who are healing.

“Elshaddai Pharma & Surgical International was born from a vision of service—a vision where healthcare support never stops. We understand the urgency and responsibility that come with medical supply distribution. That’s why we are open every day, every hour, all year round. Our core principle is not profit but purpose: to aid the medical community in saving lives by providing them what they need, when they need it.”

— P. Sangeetha, Founder

At Elshaddai Pharma & Surgical World and Elshaddai Pharma & Surgical International, we uphold an unwavering commitment to delivering only the highest quality medical and surgical products. Every item in our extensive catalog is sourced, manufactured, and handled with precision, care, and integrity.

Our products are FDA-approved, ensuring they meet the most stringent international standards for safety, efficacy, and reliability. From pharmaceuticals to surgical equipment and hospital supplies, quality is not just a promise—it's our foundation.

We believe that in healthcare, there is no room for compromise. That's why our products undergo rigorous quality control processes and continuous inspections, ensuring consistent performance, sterility, and clinical accuracy at every stage.

Join hundreds of hospitals, clinics, and pharmacies who trust Elshaddai for excellence that speaks through every product we deliver—certified, compliant, and trusted across borders.
